

Product Presentation

The world is constantly evolving

A conceptual image featuring a lightbulb resting on a chalkboard. A white chalk-drawn thought bubble is positioned behind the lightbulb, with several smaller circles leading down from it, symbolizing an idea or innovation. The text is overlaid on the lower half of the image.

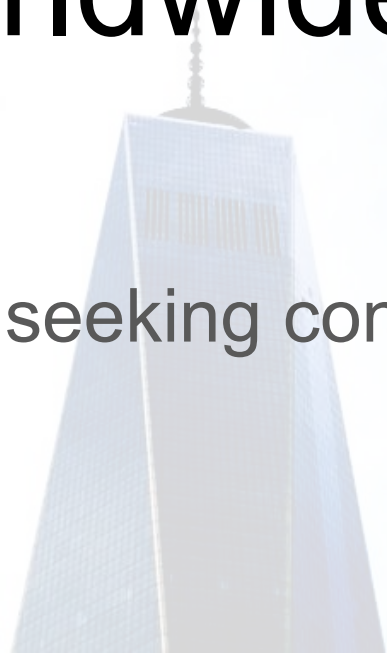

With **technologies** getting better
and faster

Yet we feel **disconnected**
more than ever

With millions of **services** worldwide

And people seeking connectivity

*“How can we **improve** the communication
between **people**, **services** and **businesses**?”*

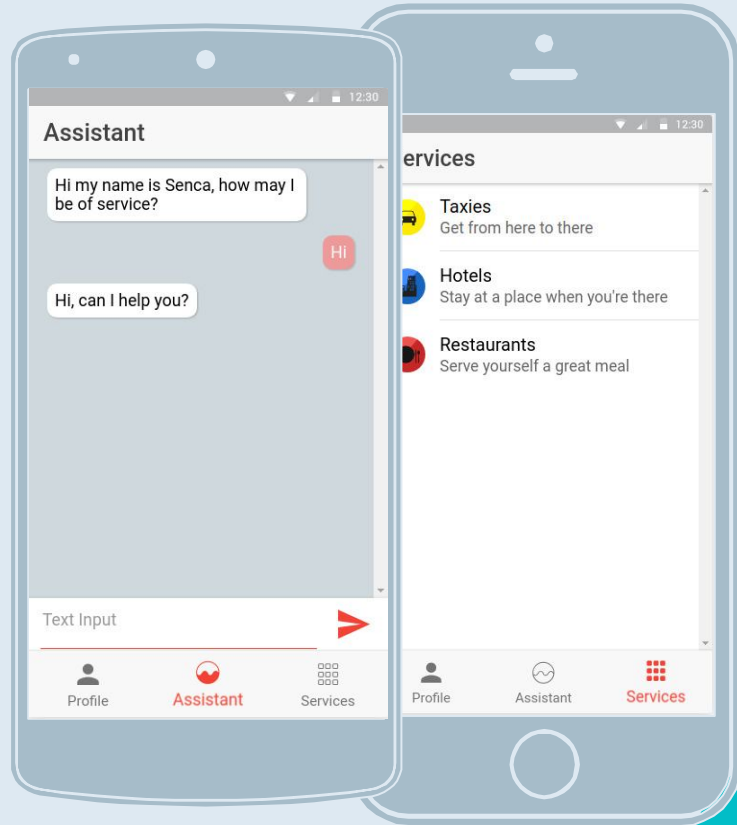

Service assistant

Making the bond between the consumer
and the service **BETTER** & **STRONGER**.

What does **SENCA** do?

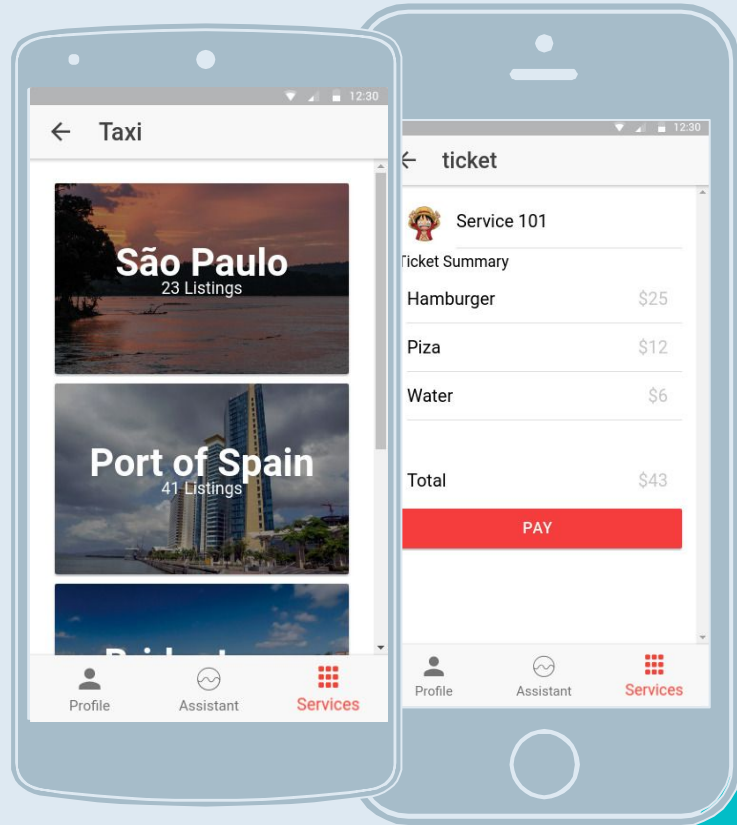

- Personal profile 
- Browse available services based on **location** 
- Live **chat** 
- Artificial Intelligence by **Chatbot** 
- Digital **Payment**

**No more
language
barriers**

A hand holding a smartphone is the background of the image. Overlaid on this is a large, semi-transparent cyan circle. Inside this circle, the text "Connect faster than ever" is written in white. Surrounding the cyan circle are several smaller, semi-transparent circles in various colors (yellow, orange, red, white). Some of these circles contain white line-art icons: a puzzle piece, a lightbulb, and a thumbs-up gesture. The overall aesthetic is modern and tech-oriented.

Connect **faster**
than **ever**

Easy payment,
no hassle

Enhance
relationships
between the
client and the
service

Thanks!
